Frequently Asked Questions (FAQs)

What is the THWS CampusPortal and what can I use it for?

The THWS CampusPortal will replace our previous student portal in many functions:

- Address
- Feedback
- Exam Registration
- Sheet Music Review
- Download Notices and Certificate of Enrollment

The functions of AWPF registration and the processing of university elections will remain in the student portal for the time being. A move of these to the THWS CampusPortal is being planned.

How can I check whether the payment of the (semester) fees was successful?

For example, did you have a disconnection while you were paying the semester fees of the THWS? And now you are unsure whether the payment has arrived?
No problem.

Log in to your THWS CampusPortal.

Follow the path *My Studies – Student Services – Payments.*

If the payment has worked, the amount paid is in the column with the heading *"Actual".*

If there is **a "0.00 €" under "Is",** then the **payment was not successful** and you will have to repeat the payment process.

Example (/fileadmin/redaktion/dokumente/CampusPortal/Intranet/Anleitungen_Bilder/Zahlung_durchgegangen.jpg)

Please note: if you have made the payment by **bank transfer**, the payment will not be displayed immediately. Please wait **at least 5 working days** and refrain from queries during this time.
