Artificial Intelligence

international course, full time

Degree
Master of Science
Master

Standard period of study (amount)
3 semesters

Location
Würzburg

Deadlines
No information

Overview and admission

Study Type
graduate

Admission semester
Summer Semester only

Area of study

- Mechatronics
- Computer Science
- Information Systems and Management

- Mathematics
- Robotics
- Artificial Intelligence

Annotation

We strongly recommend English proficiency at the C1 level! Applicants must demonstrate English language proficiency at level B2 (CEFR). Non-native speakers are required to provide evidence of German language proficiency at level A2 (CEFR). This language level, with a corresponding certificate, can also be obtained within the first two semesters of study.

Admission modus

Without admission restriction

More information regarding admission requirements (https://www.thws.de/beratung-und-service/bewerbung-immatrikulation-pruefungen-praktikum/bewerbung/)

Admission requirements

Admission to the Master's degree course in Artificial Intelligence can be granted to those who have very good or good knowledge and skills in the field of computer science and/or mathematics, demonstrated by a relevant, practice-oriented, scientifically based qualification. The qualification is demonstrated by a completed certificate of academic degree with 210 credit points according to the European Credit Transfer and Accumulation System (ECTS, hereinafter referred to as ECTS credits) and an overall grade of 2.5 or better in the areas of Computer Science, Mathematics or a related degree course at a German university or an equivalent degree. Each qualification must be assessed individually, depending on the educational background of the individual student.

Lecture period

- 01.10.2025 - 14.03.2026
- 15.03.2026 - 30.09.2026

Application deadlines

Summer semester (2025)

Enrollment deadline for Germans and foreign students

Please note any deviations on our homepage www.fhws.de (https://www.fhws.de) The course may only be commenced in the summer semester.
